40th Anniversary of the National *Stearman* Fly-In Galesburg, IL ~ September 5th – 10th, 2011

Dear Vendors,

We want you to be a part of this year's National Stearman Fly-In!! In celebration of the 40th anniversary, this will be the largest gathering of Stearman Aircraft since World War II; hopefully 200 Stearmans – plus many other antique and warbird aircraft.

This year we will have many exciting new events for the Fly-In participants and the local community. Some of these activities include: Concert at the Orpheum Theatre (well-known Country Artist), Masters Aerobic Competition, Fly-Out Poker Run, and Free Airshow on Friday Evening and Saturday afternoon featuring legendary pilots John Mohr, Walt Pierce / Cub Stewart in Double Trouble, and Darrel Massman!

The official dates for the Fly-in is September 5th to the 10th, 2011, however, there will still be the traditional breakfast from 7 AM – 11 AM on Sunday morning the 11th. We tentatively have plans for some community activities throughout the day on Sunday and you are welcome to stay through the end of the day.

Vendor applications are attached with more details. The spaces will be assigned according to the receipt of payment; hangar spaces and food vendor spaces have limited availability. If you are not able to attend this year as a vendor, but you would still like to participate, we have added a banner and flyer advertisement option; information is attached.

We look forward to seeing you at the 40th National Stearman Fly-In! If you have any questions, please give me a call at (309) 342-3134, or send me an email at: phillipw@jetairinc.com.

Regards,
